

The image features three round cookies, each topped with a generous amount of chopped pecans. The cookies are arranged on a light-colored wooden cutting board. To the left of the cookies, a clear glass jar is filled with whole pecans. Several individual pecans are scattered around the cookies on the board. The background is a soft, out-of-focus white surface. The text 'FREE GLÙ' is overlaid in the center, with 'FREE' in a gold color and 'GLÙ' in white, all enclosed in a white rectangular border.

FREEGLÙ

Your monthly gluten-free surprise.

FreeGlù is a monthly subscription box service that combines both full-size and sample-size products and delivers them to our Italian customers' doorsteps every month.
This service operates in Italy and it's FREE to you.

What makes us different?

We like to think of our subscription program as an "Expo in a box."

So many of our gluten free customers can't make it to an Expo or want to extend their Expo experience; they want to try new products but cannot find them in the Italian large-scale retail trade.

We want to help you get your products into their hands in a fun and meaningful way.

Right now there are many ways to advertise your products, but none allows you to reach only potential customers.

We want to truly give our subscribers a great experience and you the feedback you are looking for.

And there's more!

With FreeGlù you get another distribution channel: all the products in our boxes will be available in our ecommerce.

We know first-hand how difficult it can be for consumers to find the best products and, for you, to get your products in large scale retails. With us the customers try your products and buy them in a few clicks: a fast and effective sales channel.

How does it work?

- 1** - Contact us indicating the product you'd like to put in the FreeGlù Box and its characteristics.
- 2** - Send us product samples so we can fit them into the appropriate monthly box.
- 3** - We'll let you know which month you have been chosen for and the amount of samples to send.
- 4** - Ship your products to our warehouse.
- 5** - Enjoy reading customer feedback and meeting new loyal customers!

Stock purchases for the FreeGlù ecommerce will be evaluated case by case.
